

THE KASBAH - MOUNT TOUBKAL - MOROCCO

Corporate & Incentive Opportunities - 60 Kms From Marrakech

The Kasbah du Toubkal is an extraordinary venture, the product of an inspired Berber and European partnership. There is a shared belief that the beauty of the Toubkal National Park should be accessible to all who respect it. To this end the Kasbah has been transformed using traditional methods, from the home of a Feudal Caid into an unprecedented haven; one that provides a diversity of quality accommodation and event possibilities to meet differing requirements.

- ❖ *The scenery is magnificent. The friendliness and consideration of the staff are outstanding and the Hammam was terrific after the trek to Toubkal. One of the most enjoyable experiences in my two and a half years in Morocco.* [Anthony Layden British Ambassador Rabat 2001](#)
- ❖ *"... with the best rooftop views in North Africa...this is the country's first and foremost mountain retreat."* [Condé Nast Traveller](#)
- ❖ *" I always knew that we needed an extraordinary venue to do our work on relationships and business possibilities. The Kasbah du Toubkal has this characteristic in abundance. The local culture and values are at work within the Kasbah itself the place is a manifestation of Berber hospitality, personally warm and welcoming. We did not need to arrange encounters with local culture, we lived in it for a week. In addition the accommodation was terrific. Comfortable rooms, great food and good working/conference facilities. The Kasbah is an experience in itself, a superb venue for organisation and business development work."* [David Parton, Director of Leadership Development, The Boots Company PLC.](#)
