Located some 5 kms (3 miles) from the centre of Agadir and its beaches, this property is an absolute gem and is perhaps the best in the area. Hidden behind large walls you will find a haven of peace and luxury accommodation. The level of the cuisine here is first class & although the French owner calls himself an amateur cook, we disagree as his cooking is on a par with any top international chef.

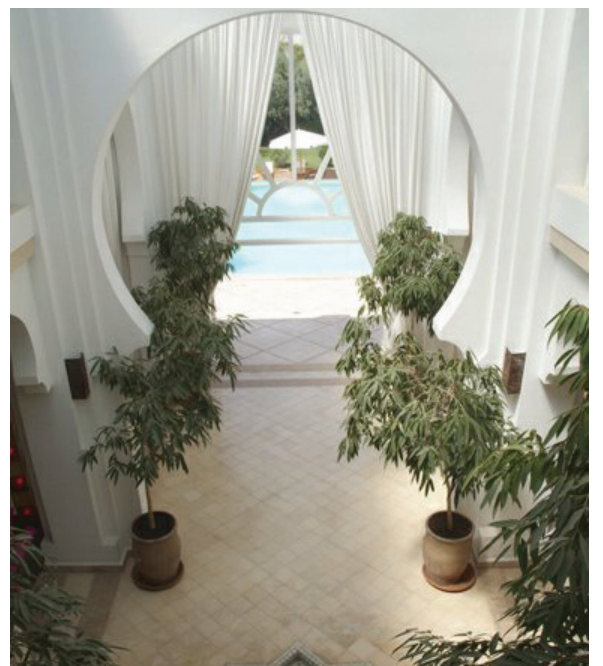

For those who require a golfing or beach holiday, the region of Agadir has some of the finest beaches in Morocco. Within easy reach of the villa, there is the historic town of Taroudant, the wildlife sanctuary of Massa & the foothills of the Atlas to explore. The climate of Agadir is approximately 27°C year round.

Within 3 minutes drive you have almost immediate access to two of the highly regarded first class golf courses of Agadir. Each course is 27 holes. Slightly further away is a 3rd 27 hole golf course.

Agadir is served by many airlines with direct flights from Europe or, via a change at Casablanca airport. With Marrakech some 5 hours away by car (1 hour by private plane charter) this property can be part of a 2 destination holiday.
