THIS EXCEPTIONAL AWARD-WINNING BRITISH AND BERBER PARTNERSHIP HAS CREATED A VENUE THAT, COMBINED WITH THE SPECTACULAR SETTING, OFFERS A REMARKABLE LOCATION FOR CORPORATE AND PRIVATE EVENTS.

“The Kasbah du Toubkal not only provided an excellent venue for our senior leadership development programme but was in itself a metaphor for the programme. We challenged the participants to think differently about how they operated – the Kasbah, the local Berber people and in fact the Atlas Mountains provided much of their inspiration.”

RICHARD WATERS, HR DEVELOPMENT MANAGER, SABMILLER EUROPE

“The scenery is magnificent. The friendliness and consideration of the staff are outstanding and the Hammam was terrific after Toubkal. One of the most enjoyable experiences in my 2 and ½ years in Morocco.”
