

Kasbah du Toubkal would like to treat you to lunch with stunning views of the High Atlas Mountains

The restoration of Kasbah du Toubkal may have been forced upon us by Mother Nature, but it has enabled us to quite literally open up new vistas, the main one being from our beautiful new swimming pool, of which everyone at the Kasbah is justifiably proud. To celebrate this major step in the Kasbah's history, we'd like to offer guests who book to stay in July and August 2025 the chance to sample our delicious traditional Moroccan cuisine at our invitation; half-board (either lunch or dinner) at the standard rate of bed and breakfast.

Stay for two days or a week - lunch or dinner is on us!
