About 20 metres up from the car park on the right hand side of the road you will find the Kasbah du Toubkal's remote reception. This is open from 09.00hrs to 17.00hrs. Just report here and you will be looked after. Outside of these hours please ring the Kasbah on 0524 48 56 11 and they will arrange for someone to meet you in the car park. The Kasbah is a 15 min walk / mule ride from Imlil. Your luggage will be brought up by mule.

Since the road from Asni to Imlil has been tarmac covered, taxis are much happier to take you to Imlil and are often waiting for hire in Imlil.

#### DIRECTIONS FROM AGADIR TO KASBAH DU TOUBKAL, IMLIL

There are 2 choices. Which will in part depend on whether you like driving on spectacular mountain roads.

1. Depart Agadir to Taroudant and then drive up and over the spectacular Tizi n' Test pass over 2000m in altitude. Then continue down the pass to the Tinmal mosque, then continue to Ajoukak, Ouirgane, and onto Asni. Just before arriving at Asni, on the right there is a turning to Imlil. (If you come to the village of Asni you have missed the turning). This is a spectacular drive but has winding mountain roads and allows you to see major monument of the Tinmal mosque en route. Approx driving time 6 hours. (3 to 4 hours to Marrakech) After Taroudant there are very few places to stop and eat until you get to Ouirgane.
2. Take the main highway from Agadir to Marrakech and then follow our directions from Marrakech. This route is much less interesting scenery wise and is on a major highway with a lot of commercial traffic. Approx 5 to 6 hours driving time.

#### DIRECTIONS FROM ESSAOUIRA TO KASBAH DU TOUBKAL, IMLIL

Take the main highway from Essaouira to Marrakech and then follow our directions from Marrakech. This route the first half hour is slightly rolling countryside, but then becomes a more barren limestone plain (very hot in summer). Approx 4 hours driving time. (2 to 3 hours to Marrakech)

#### DIRECTIONS FROM CASABLANCA TO MARRAKECH, IMLIL

Take the motorway from Casablanca to Marrakech (approx 2.5hrs) then follow our directions from Marrakech. Approx 5 hours driving time.
